# 1 st International Conference on Economics, Business & Finance

2-3 June 2024

The Laboratory research of Evaluation and Foresight of Economic Policies and Entreprises Strategies (LEPESE) at the University Centre of Maghnia (Algeria), in collaboration with :

- Business & Economic Statistics MODELing laboratory (BESTMOD) (Tunisia),
- Institute of Higher Studies (IHE) (Tunisia),
- The CREAD (Research Center for Applied Economics for Development) (Algeria),
- Laboratory of Money and Financial Institutions in the Arab Maghreb (MIFMA), University of Tlemcen (Algeria).

Organizes the 1st International Conference on Economics, Business & Finance, which will be held at the Department of Economics, University Centre of Maghnia on June 2-3, 2024.

The primary aim of ICEBF 2024 is to create a platform for researchers, academics, professionals, and students to come together and share their insights, experiences, and expertise regarding the current trends, solutions, and future of economic developments. We believe that by bringing together individuals from different backgrounds and perspectives, we can create new ideas and solutions that will have a positive impact on society.
